

Milk Notepad

AED 19.00

SKU: ON-007

An eco-friendly A6 notepad with a pen made of various sustainable materials. The notepad is made from recycled milk cartons and includes 70 sheets of recycled 80 GSM milk carton paper. It also includes a cork component at the bottom which serves as a phone holder. Additionally, the pen includes components made from recycled milk cartons as well. There are 2 loops on the notepad, 1 to hold it shut and 1 to hold the pen in place.
