10W Fast Wireless Charger with Bluetooth Speaker & Digital Clock This all in one office and home unit proves to be the most complete table accessory yet! The powerful stereo bluetooth 5.0 speaker boasts a rich and booming sound making any room sound like a mini recording studio. The convenient 10W Wireless Charging section allows you to charge your smartphone in a flash while still being able to use it at a convenient angle. The digital clock, alarm and handsfree functions add to the user-friendly product experience. * Wireless chargers work with most of the latest Android and iOS devices. For smartphones that do not support wireless charging, adapters (wireless receiver modules) are available at an additional cost. Mobile cases may affect the rate of charging.
