BrewEase

AED 249.00

SKU: SG-014

The compact, versatile coffee maker is designed for both cold and hot brewing. This product features a dual-purpose cup (located at the bottom) for both brewing and drinking coffee, making it perfect for travel. With a 120 ml coffee cup capacity and a powerful 2500 mAh battery, BrewEase heats water to 86°C in just 5 minutes, delivering a perfect cup of coffee on the go. Crafted from durable ABS+304 stainless steel and PC materials, it ensures longevity and efficiency. Whether you prefer powder or capsules, BrewEase offers two brewing methods, making it the perfect portable coffee solution for busy lifestyles. Chargeable via Type-C, it's your ideal companion for convenience and quality brewing anywhere.
