

HELIX BAMBOO

AED 49.00

SKU: WE-016

Bamboo 15W Wireless Charger & Pen Pot The EcoSustain Helix Bamboo is a sustainable and multifunctional desktop unit that combines various features into one! It combines a pen pot that can accommodate various pens and stationery, with a 15W wireless charger and stand! The stand is slightly slanted to ensure an optimum viewing angle and it is made of Bamboo which is a sustainable material. The phone stand can also double as a visiting card holder when not in use.
