Helix Terra

AED 89.00

SKU: WE-014

RPET 15W Wireless Charging Pad & Pen Pot The EcoSustain Helix Terra is a multifunctional desktop product that is made of RPET, which is basically a form of recycled plastic. The pen pot has ample storage space for multiple pens and stationery and the 15W wireless charger can be magnetically attached and detached from the pen pot to save space while it is not in use. The charging unit also includes a stand so you can use your phone at a convenient angle and it also doubles as a visiting card holder. 2 USB ports are also included for charging multiple devices at once.
