SKU: WE-024

Wireless Charger, Bluetooth Speaker, and Adjustable Lamp
Symphony is a great addition to any desk as it combines various valuable features into one great product! It includes a 15W Wireless charger so your phone can get fast charged conveniently and a powerful Bluetooth 5.0 speaker so you can listen to your favorite tunes. The prominent buttons on the speaker allow you to conveniently change the song, adjust the volume, and power on/off the speaker while simultaneously adding to the aesthetics of the product. The lamp is simple to operate and it can be turned on and off by simply tapping it. You can also toggle between three brightness settings by tapping the lamp as well. A handle is also included which makes it easy to carry the product around or it can be used as a phone stand at various angles.
